

Quattro Abseil for Charity

Item added Wednesday 28th May 2009

Quattro took part in a sponsored abseil to raise money for the Stroke Society. At the last count over £3000 had been raised.

We would like to say a massive thank you to not only everyone that took part but also to everyone who sponsored us.

What started as a small idea turned into an extremely worthwhile one. For pictures and proof! - please take a look at <http://www.quattroconsulting.co.uk/Abseil.html>
