

QUATTRO ARCHIVED NEWS ITEM

The Webinar is Coming

Item added Thursday 30th December 2010

The full details of this exciting event will be announced shortly but why wait?

Register your interest by contacting us today.

But what is a webinar? Put simply you can enjoy the benefits of a seminar from the comfort of your own pc.

There is much more to it than that of course and the benefits of participation will be far reaching, so why not sign up to our newsletter service to make sure that you receive the leaflet with full webinar details or contact us to find out more.
